ALLOWANCES - Tasdik - South Kanara District - Udipi Taluk - Havanje Village - Institution No.417 Irmadi Chittari Bhuta - Struck off the --- register - Re-admission and payment of arrears - Claim - Report submitted

①
Institution No.417 Irmadi Chittari Bhuta of Havanje Village, Udipi Taluk, which was in receipt of an annual tasdik of Rs 4-12-10 paid under the beriz deduction system from the Revenue collections of the village, was struck off the register since the building was in disrepairs. The connected records of this office D.Dis.No.8420/29 in which the matter was dealt with are not available, having been destroyed under the rules in 1940. One I. Duggappa Shetty, who has been appointed as trustee of the institution in order B.C. 961 dated 21-3-1942 of the Hindu Religious Endowments Board, Madras, for a term of five years, now requests that the allowance may be re-admitted and the arrears of tasdik due to the institution paid to him.

2. The allowances were left unawarn from 1923 and the building was repaired by the applicant in 1939. However, services are said to --- have been conducted all along. Prior to 1939 the management of this duty along with another institution Gopalakrishna Deva was in the hand of Brahmin archakas who had no means to attend to the repairs or the --

- 22

building and the petitioner Sri Duggappa Shetty at last took on -- himself the task of putting the building in proper condition it -- being his family duty. Hereafter, he secured a sanad for himself. Enquiry held in this connection has revealed the fact that the failure to claim the allowances was due to neglect on the part of the previous managers of the duty, viz., Rama Bhatta and after him Narasimha Aithala, who could not restore the building to proper condition and failed to apply for sanad and that the present trustee who renewed the institution in 1939 was precluded from applying for the re-admission until he obtained the sanad from the Hindu Religious -- Endowments Board. The claim for the arrears of tasdik up to 1938 is therefore untenable. Without a valid sanad the present trustee would not have been successful in obtaining recognition in respect of the institution and his failure to claim the allowances from --- Fasli 1349 onwards i.e., after the repairs of the institution in 1939, can be construed as one due to disability within the purview of --- clauses (i) and (ii) of para 7 of B.S.O. 67. I, therefore, recommend -- that the Board may be pleased to re-admit the institution and sanction the payment of the allowance due to the institution from fasli 1349.

allowance - re-admission & payment of arrears

See sheet.

To As (I).

From the letter of S. Kanara, dated 21-4-39 d 24/4/39

This allowance is found against item

No. 329 at p 47 under S. Kanara dt. in the
list of money allowances. The authority for
the grant of the allowance is not known.

Acc. to entry 10 of the list, the allowance is
intended 'for performing religious services' in
the institution Brmadi Chittari Bhutā. The

building of the institution was not kept up
in good repair. The ^{payment of the} allowance was ^{from the year 1929} stopped
and it was struck off the reg. in 1929.

Necessary repairs ~~were~~ executed to the building
were executed in the year 1939. The C.M.
reports "services are said to have been rendered
all along". He recommends revival of
the ^{Lapsed} allowance and sanction of payment
of arrears from the year 1939. Acc. to-

444 Bk 69 | B.S. 67-1(7) as amended by C.S. No. 47
d 5-4-40, the Bd may revive a lapsed
allowance and sanction payment of arrears
if the institution has been kept up &
the service rendered. In this case the
Service is said to have been rendered
but the institution has been kept up only

from the year 1939. Therefore it seems desirable
 to submit the proposal for Govt sanction.
 Since the institution and the service have
 been kept up since 1939, there seems to
 be no objection to revive the lapsid allowance
 and sanction payment of arrears from
 1939. The Bd may recommend the Govt proposal
 Govt. 'A' above may be approved.
